Declaration of Interdependence

Let it be declared, announced,  
and hereby celebrated . . .  
That all people everywhere  
are dependent upon one another.  
That everyone needs everyone else  
for freedom, life, love and happiness.  
That all things in the natural order  
are dependent upon everything else.  
That our little planet and all the planets  
and stars in all the solar systems  
are in a state of mutual dependence  
upon one another.  
That this universally shared dependence comes  
from God and is of God.  
And that each individual part of this great  
relationship has its own part to play--  
its own destiny to fulfill in God's plan.
